

Get Financial Support while Working at an Unpaid Internship!

Internship Plu\$ Program

PURSUE an unpaid internship that relates to your major or field of interest

EARN \$1,300.00 in financial assistance for working in a quarter-long, unpaid internship

GAIN vital skills necessary in today's competitive workforce

FULFILL your Experiential Learning Requirement

- While you are working at an unpaid internship, you will also enroll in a University Internship Program (UIP) course, which will **fulfill your Experiential Learning Requirement**. The \$1,300.00 will be paid to you during the UIP course.
- Consideration will only be given to first-generation undergraduate students (neither parent has a Bachelor's Degree) with financial need.
- You may work at other paid or unpaid jobs while you are taking advantage of this financial support opportunity.
