**Online Discussion Question:** Your weekly discussion questions are located under the Discussion tab in d2l. Your discussion response must be 250 words or more and must contain at least 2 terms/concepts from the readings and lectures. Your discussion responses are formal responses (no slang, check for typos, etc...) which demonstrate your understanding of the concepts covered during the week. You are also required to respond to at least 2 of your classmate's discussion posts. These responses should, of course, be thoughtful.

### **Plagiarism**

**The university and school policy on plagiarism can be summarized as follows: Students in this course, as well as all other courses in which independent research or writing play a vital part in the course requirements should be aware of the strong sanctions that can be imposed against someone guilty of plagiarism. If proven, a charge of plagiarism could result in an automatic F in the course and possible expulsion. The strongest of sanctions will be imposed on anyone who submits as his/her own work a report, examination paper, computer file, lab report, or other assignment which has been prepared by someone else. If you have any questions or doubts about what plagiarism entails or how to properly acknowledge source materials be sure to consult the instructor.**
