A = 93-100	A- = 90-92	
B+ = 87-89	B = 83-86	B- = 80-82
C+ = 77-79	C = 73-76	C- = 70-72
D+ = 67-69	D = 60-66	
F = 0-59		

A indicates excellence, **B** indicates good work, **C** indicates satisfactory work, **D** work is unsatisfactory in some respect, **F** is substantially unsatisfactory work.

Students in all undergraduate classes, with the exception of those in CEO cohort programs, may opt to change the grading basis for any or all of their courses to Pass/D/Fail. A grade of Pass (P) will indicate that the student's work met expectations for a grade of at least C-. Work that would merit a grade of D+ or D in the traditional grading basis would still earn a D+ or D. Work that does not merit a passing grade will earn a Fail (F). The Pass/D/Fail grading option may apply to any graduation requirement, including courses in the major, minor, Liberal Studies Program or open electives.

Assignments:

Students are expected to turn in all assignments by the established deadlines. The organization of your editing projects is a significant part of your grade. **LATE PROJECTS** will lose points.

The following movie files will be uploaded to **Frame.io**:

- Project 1 (upload project file to D2L Submission folder)
- Project 2 – Pt 2 – Documentary

All other project files and movies will be uploaded to the **D2L Submissions folder**.

Basic Premiere Pro Test, Subtext Assignment, and Multi-Cam Assignment:

As long as these assignments are turned in on time, they can be made up and turned in again for more points; however, all resubmissions must be turned in within two weeks of the due date. Missed assignments can be turned in within one week of the due date; however, your grade on the assignment will be reduced by 1 letter grade and no resubmissions will be accepted. **Resubmissions will not be accepted for assignments other than these.**

Extra Credit (optional) – Recut Project 1 Based on Feedback:

Extra credit must be completed individually (i.e. you will no longer be working with your partner). Successfully completing the extra credit assignment can boost your grade in the class by up to 5%.

Attendance:

Unexcused absences and/or tardiness will negatively affect your grade. All unexcused absences will result in a reduction of your Attendance/Participation grade by **3 points**. Excessive tardiness (more than 10 minutes late) and leaving class early will result in a reduction of your Attendance/Participation grade by 1 point. **Missing more than 3 classes will result in an F for the class.**

University Policies**Online Course Evaluations:**

Evaluations are a way for students to provide valuable feedback regarding their instructor and the course. Detailed feedback will enable the instructor to continuously tailor teaching methods and course content to meet the learning goals of the course and the academic needs of the students. They are a requirement of the course and are key to continue to provide you with the highest quality of teaching. The evaluations are anonymous; the instructor and administration do not track who entered what responses. A program is used to check if the student completed the evaluations, but the evaluation is completely separate from the student's identity. Since 100% participation is our goal, students are sent periodic reminders over three weeks. Students do not receive reminders once they complete the evaluation. Students complete the evaluation online in CampusConnect.

Academic Integrity and Plagiarism:

This course will be subject to the university's academic integrity policy. More information can be found at <http://academicintegrity.depaul.edu/>. If you have any questions be sure to consult with your professor.
