OUR CLASS

Course Policies

In addition to DePaul University course policies (see student handbook), the following special policies will apply to this course.

Attendance – Classes will consist of lecture, screenings and discussion. Attendance is mandatory unless otherwise stated.

Assignments – Assignments must be completed by the due date as indicated in the syllabus. Late work will not be accepted without prior consent of the instructor.

Screenings – Film screenings and assignment screening discussions are an integral part of the course participation grade. Selected films will be analyzed for specific conceptual and stylistic choices. We will apply the same standards to the analysis of group projects. Be open to be challenged and honest as there will be differing ideas and points of view expressed. These discussions are important in the development of your ability to collaborate.

Plagiarism – Plagiarism on assignments or cheating on exams are serious offenses and earn the student a failing grade for the class. This course will be subject to the academic integrity policy passed by faculty. More information can be found at <http://academicintegrity.depaul.edu/π>

Preferred Name & Gender Pronouns. Professional courtesy and sensitivity are especially important with respect to individuals and topics dealing with differences of race, culture, religion, politics, sexual orientation, gender, gender variance, and nationalities. I will gladly honor your request to address you by an alternate name or gender pronoun. Please advise me of this preference early in the quarter so that I may make appropriate changes to my records. Please also note that students may choose to identify within the University community with a preferred first name that differs from their legal name and may also update their gender. The preferred first name will appear in University related systems and documents except where the use of the legal name is necessitated or required by University business or legal need. For more information and instructions on how to do so, please see the Student Preferred Name and Gender Policy at <http://policies.depaul.edu/policy/policy.aspx?pid=332>.
