

IT 263 Syllabus – Applied Networks and Security – Autumn 2021

Instructor	Dr. Sharief Oteafy	Phone	312 362-8127
Office	CDM 846	E-mail	soteafy@depaul.edu
Office Hours	Thursdays 9:30 – 11 am (or by appointment)	Website	d2l.depaul.edu
Class Location	CDM 206 & Zoom	Class time	Tu/Th 11:50AM - 1:20PM

--- Any changes made to this syllabus will be announced in class as well as D2L --- This is Version 1: Sept 1 ---

Course Overview & Resources:

This course introduces the networking and security technologies required to build and maintain a home or small-office network. Networking topics will include client/server application software configuration, network connectivity (cabling, switch and router configuration), basic IP addressing, network address translation and options for public Internet access services. Security topics will include typical threats and responses, firewalls, host hardening, password management and virtual private network (VPNs). The course has a lab component where students apply wired and wireless technologies to design and administer a small network with various applications. PREREQUISITE(S): None.

E-Text: Introduction to Networks: Cisco Networking Academy, which you can access at <https://www.netacad.com>.

Grade distribution over required coursework

Task	% of final grade
3 Homework assignments	15 %
2 lab exercises	10 %
1 Quiz	10 %
Midterm exam	25 %
Final exam	30 %
Class participation & discussions	10 %

Coursework

Course topics expected to be covered in each class and the corresponding readings in the Network Academy Introduction to Networks (ItN) course are listed in the course schedule on page 3. Note: you are not required to do any Activities or Labs within the ItN course unless specifically stated, but you are encouraged to complete them for extra practice if you wish. Class Participation will be earned as follows: students gain 0.5% credit towards their final grade for each lecture actively attended (until the maximum of 10% of the final grade). Active attendance means that you will respond/contribute when I call upon you, and/or actively engage in class discussions and feedback (also applies for students in section 410).

Course policies & guidance

General academic policies

All students are required to manage their class schedules each term in accordance with the deadlines for enrolling and withdrawing as indicated in the [University Academic Calendar](#). Information on enrollment, withdrawal, grading and incompletes can be found at: cdm.depaul.edu/enrollment. Note that **September 21st, 2021** is the last date to drop the class with no penalty.

Mental Health and Academic Assistance

Balancing the hard work of achieving your educational goals with the other demands of life is difficult at the best of times. For many of us, for a variety of reasons, things are all the more difficult now. I want to make sure you feel comfortable, not embarrassed, reaching out to me for support. I will also point out where the University has great resources just a phone call or email away. These have been created and maintained for you, so use them. Sometimes people feel like their situation isn't the worst possible, so they assume they do not need help, but don't let that prevent you from reaching out!

- **DePaul University Counseling Services** – mental health is as important as physical health, and we have professionals just a call away: <https://offices.depaul.edu/student-affairs/about/departments/Pages/ucs.aspx> (call (773) 325-7779 or 911 for emergency).
- The kind people at the **Office of the Dean of Students** can help you with a wide range of topics, including figuring out if you should withdraw or apply for an incomplete: <https://offices.depaul.edu/student-affairs/about/departments/Pages/dos.aspx>.
- There are lots of additional, more specific resources listed here with the **Office of Student Affairs**, including crisis hotlines and sexual assault resources: <https://offices.depaul.edu/student-affairs/support-services/counseling/Pages/Crisis-Hotlines.aspx>.

Plagiarism

There is a "zero-tolerance policy" regarding plagiarism. This stands for both the plagiarizer and the person(s) facilitating plagiarism (e.g., allowing someone to plagiarize their work). There's a great resource put together by DePaul University, which you can find here: <https://resources.depaul.edu/teaching-commons/teaching-guides/learning-activities/Pages/avoiding-plagiarism.aspx>

Academic Integrity

One of the core principles of education is establishing Academic Integrity. It is a viable component in the classroom, one by which learning objectives could be honestly and efficiently met. The principles of academic integrity should span all of your learning endeavours, within and beyond this course. For more information on Academic Integrity, especially definitions and norms, please visit: <https://resources.depaul.edu/teaching-commons/teaching/academic-integrity/Pages/default.aspx>. This will be the basis of all of our interactions in this course. If you have any questions or concerns, feel free to drop by and see me. All students are expected to abide by the University's Academic Integrity Policy which prohibits cheating and other misconduct in student coursework. Publicly sharing or posting online any prior or current materials from this course (including exam questions or answers), is considered to be providing unauthorized assistance prohibited by the policy. Both students who share/post and students who access or use such materials are considered to be cheating under the Policy and will be subject to sanctions for violations of Academic Integrity.

Deadlines and submission policies

Assignments are due on D2L by 11:59 pm on the deadline day posted on each assignment, unless otherwise announced. All of your work (exams, assignments, report, etc) must be your original work. Any evidence of departure from Academic Integrity will be reported, and ensuing sanctions will be pursued. You are expected to read, understand and comply with DePaul's policy on Academic Integrity. **Late submissions receive a 10% penalty for every 24 hour delay**, starting from the minute past the deadline.

Missing exams and/or deadlines

Emergencies happen and that is quite understandable. If you miss an exam due to an emergency (e.g., accident, emergency hospitalization, etc) please communicate with me as soon as you can to resolve any outstanding issues. If a major illness hinders you from attending an exam or submitting a deliverable (assignment), you need to contact me beforehand via e-mail. Notices received after the deadline will not be accounted for (unless for an emergency as highlighted above). If the illness occurred after the deadline, even if accompanied with a doctor's note, you would receive a zero for that exam/deliverable. Otherwise, missing an exam without prior approval will warrant an automatic zero. Generally, all extensions are considered on a case-by-case basis. Falling sick prior to a deadline does not automatically warrant an extension. If you have any questions or concerns, please don't hesitate in contacting me.

Disability Accommodation

Feel free to speak to me as soon as possible regarding any difficulties you feel you might be encountering in this course, ideally within our first week of classes. If you feel that any given disability is hindering you, or you are not sure and wish for a consult, please reach out to CSD at csd@depaul.edu; they are trained to help out and point you to the appropriate resources.

Grade calculation

Final grades will be calculated as follows: points earned divided by possible points in each category will be multiplied by the contribution percentages shown to yield a total course percentage score between 0% and 100%. Letter grades will be assigned as:

A = 90% - 100%	A- = 88% - 90%	B+ = 86%-88%	B = 80% - 86%	B- = 78% - 80%	
C+ = 76% - 78%	C = 70% - 76%	C- = 68% - 70%	D+ = 66% - 68%	D = 60% - 66%	F = 0% - 60%

Class schedule and topics

Week	Class date	Tentative Topics	NetAcad ItN Readings	Assignments (on the week of - tentative)
1	Sept 9	Course overview and network basics	1.1 – 1.5	
2	Sept 14	Network basics & Cabling	1.2, 1.3, 3.1 – 3.3 & 4.1 – 4.2	
	Sept 16	Wired Ethernet and Switching	4.3-4.4	Lab 1 posted
3	Sept 21	Wi-Fi Networks	5.1-5.3	HW 1 posted
	Sept 23	Short quiz IP addressing and DHCP	2.1, 2.2.1, 2.3 & 6.1	Lab 1 due
4	Sept 28	TCP and packet analysis	7.1, 7.3 9.1, 9.2	HW 1 due
	Sept 30	IP subnets and routing	6.2	HW 2 posted
5	Oct 5	Subnetting	8.1-8.3	
	Oct 7	Sample problems and review		HW 2 due
6	Oct 12	Midterm exam		
	Oct 14	Midterm Review Routers and Switches	6.3-6.4	
7	Oct 19	Routers and Switches	6.3-6.4	Lab 2 posted
	Oct 21	NAT	6.1.4	
8	Oct 26	IPv6	7.2 & 8.3	HW 3 posted
	Oct 28	DNS, Internet Applications	10.1-10.2	Lab 2 due
9	Nov 2	Privacy and Network Security	11.1	
	Nov 4	Integrity and Encryption	1.4.3	HW 3 due
10	Nov 9	Network Vulnerabilities	11.2	
	Nov 11	Authentication & Firewalls Virtual Private Networks (VPNs)		
11	Nov 16	Course review and Final Exam preparation		
	Nov 23	Final Exam 11:30 am – 1:45 pm		

Exams for section 410 (midterm and final) will be carried out using LockDown

Students in Section 410 will take their exams remotely on D2L, using the Lockdown browser setting.

Please read about LockDown Browser here:

<https://resources.depaul.edu/teaching-commons/teaching-guides/technology/desire2learn/tools/Pages/live-proctoring.aspx>

- Assessments are displayed full-screen and cannot be minimized.
- Browser menu and toolbar options are removed, except for Back, Forward, Refresh and Stop.
- Prevents access to other applications including messaging, screen-sharing, virtual machines, and remote desktops.
- Printing and screen capture functions are disabled.
- Copying and pasting anything to or from an assessment is prevented.
- Right-click menu options, going to previous screens (i.e. previous questions), function keys, keyboard shortcuts and task switching are disabled.
- An assessment cannot be exited until the student submits it for grading.

COVID-19 Health and Safety Precautions

Keeping our DePaul community safe is of utmost importance in the pandemic. Students, faculty and staff are expected to

- (1) wear a mask as required at all times while indoors on campus;
- (2) refrain from eating and drinking in classrooms;
- (3) keep current with their COVID-19 vaccinations or exemptions;
- (4) stay home if sick;
- (5) participate in any required COVID-19 testing;
- (6) complete the online Health and Safety Guidelines for Returning to Campus training; and
- (7) abide by the City of Chicago Emergency Travel Advisory. By doing these things, we are Taking Care of DePaul, Together.

The recommendations may change as local, state, and federal guidelines evolve. Students who do not abide by the mask requirement may be subject to the student conduct process and will be referred to the Dean of Students Office. Students who have a medical reason for not complying with any requirements should register with DePaul's Center for Student with Disabilities (CSD).

Zoom Overview (section 410):

We're going to meet using Zoom, a video conferencing tool. Zoom allows people to gather in a virtual room and meet synchronously, as well as record the session for offline viewing. Please find the access info to join our Zoom classes in the "Welcome to Class" news item. During our sessions, I'll be speaking to you directly, and going over Power Points slides (sharing my screen). I'll also be recording our sessions and uploading them to our D2L course site.

Attendance Expectations for OLSYN – Remote synchronous students (those enrolled in Section 410) :

You are expected to **actively** attend all classes via Zoom, in lieu of attending in person for an in-class session. You need to participate in the discussions, and demonstrate that you are engaged with the material. Throughout the classes, you will be called upon to answer questions and/or engage in discussions. Your participation grade is earned through these interactions. This is vital to sustain a lively "remote class" environment.

Online students are not exempt from the participation requirement, you are still expected to be present for the class. During the class sessions, I will ask online students to answer specific questions.

Best Practices During our Zoom Session:

List your name: Please sign in with your full name, so I know who's who.

Try to **put up your picture** on your profile, if you are not planning on turning on the video.

Muting your audio (and video): Unless you're actively speaking, please keep your audio muted. This will help prevent background noise in our discussion. If you need to get up and change locations, please mute your video before you move.

Speaker View and Gallery View: There are two ways to view the Zoom participants:

- **Speaker View:** This view prioritizes the person speaking, so you'll see a large-screen view of the speaker and a handful of other participants right above.
- **Gallery View:** This is the "Brady Bunch" view, where you'll see a grid with small videos of all participants. A small green box will appear around the person speaking.

Screenshare and Full Screen View: If someone in the Zoom session starts sharing their screen, Zoom will automatically go into "full screen mode" on your computer. You can navigate out of full screen mode by hovering your mouse over the video, and at the top, clicking View Options > Exit Full Screen.

Muting notifications: If you un-mute your audio and you're speaking, remember that the class will be able to hear any audio coming through. So, if you get a text message or email notification, we'll hear it. You may want to mute your notifications when our Zoom session starts.

Chat option: Given that I'll be running multiple tasks, I **will not** be able to look at the chat window all the time. Please don't use it. If you need to say something, simply use the "**raise your hand**" option.

Video: Yes, I am planning to keep my video on. You are encouraged to do so as well, however that is totally up to you. If you do keep your video on, please conduct yourself as you would in a public place. I'd rather not make a lengthy list of Zoom etiquette here, but I trust you'll use your common sense :)

Video background: While it is tempting to use the "background" option, remember that it will (very) quickly eat up your battery power. Also, it can get distracting :) if you choose one, please make sure it is neutral/simple.

Additional Zoom Resources: [Getting Started with Zoom](#) | [How to Join a Meeting](#)

Online course evaluations

During the course, your feedback on how well the course is running (pace, difficulty, resources, etc) will be solicited. This is a vital component of improving and tailoring this course to your learning objectives. While all students are expected to achieve the learning outcomes highlighted above, each of us inevitably learn differently. This course is designed to meet the aforementioned learning outcomes, and I will endeavor to incorporate different activities to improve the learning experience. Since 100% participation is our goal, students are sent periodic reminders over three weeks. Students do not receive reminders once they complete the evaluation. Please see <https://resources.depaul.edu/teaching-commons/teaching/Pages/online-teaching-evaluations.aspx> for additional information.

If you have any concerns about how the course is running, or would like to suggest an improvement, feel free to reach out to me. Also, on week 10, we will hold the official course evaluations in class.
