WIRELESS LAN SECURITY PROGRAM APPLICANTS:

This form must be completed and included with your application in order for the admissions committee to review your qualifications for acceptance to the program.

1. Describe your knowledge of TCP/IP and Ethernet fundamentals		
2. Describe your experience with administration of Windows-based networks	Type of experience (e.g., on-the-job, coursework, etc.) *	Number of years experience
3. Describe your experience with administration of Unix/Linux-based networks	Type of experience (e.g., on-the-job, coursework, etc.) *	Number of years experience
4. Have you previously set up a wireless LAN at home or in the office? If so, have you used any security settings (which ones)?		

* Coursework may be listed to complete your profile, but it is not a substitute for professional experience where required. (See the *Admission* section of the brochure for minimum requirements.)
