You will submit all of your assignments to the D2L Dropbox. The organization of your editing projects is a significant part of your grade. **LATE PROJECTS** will be marked down a full letter grade for every day past the due date.

Quizzes:

You should arrive to class on time and be prepared to take all quizzes. Quizzes that are missed as the result of an unexcused absence cannot be made up.

Editing Exercises:

Editing exercises can be made up and turned in again for more points; however, **NO resubmissions will be accepted after Friday, August 4th, at 5 PM.** If an editing exercise is missed, it is the responsibility of the student to watch the missed lecture on D2L. For your convenience, all lectures are recorded and saved on D2L.

Attendance/Participation:

You are expected to be on time and stay for the entire class. If you plan on missing or being late to a class, you are expected to notify the instructor **BEFORE** that class begins. The instructor reserves the right to determine whether an absence or tardy is “excused.” ***You will be allowed 1 excused absence for the quarter.*** Unexcused absences or tardiness will negatively affect your grade. **All unexcused absences will result in a reduction of the attendance/participation grade by 4 points.** NOTE: A 4-point reduction in the attendance/participation grade will result in a 4-percent reduction in your overall grade. **Excessive tardiness (more than 10 minutes late) and leaving class early will result in a reduction of the attendance/participation grade by 2 points.**

Phones, Texting, Social Media, Email:

Phones should be set to silent or vibrate. Should you need to answer a call during class, please leave the room in an undistruptive manner. Emailing, texting, and social media are not allowed. If you must use a cell phone or electronic device for any reason, please leave the classroom.

University Policies

Online Course Evaluations:

Evaluations are a way for students to provide valuable feedback regarding their instructor and the course. Detailed feedback will enable the instructor to continuously tailor teaching methods and course content to meet the learning goals of the course and the academic needs of the students. They are a requirement of the course and are key to continue to provide you with the highest quality of teaching. The evaluations are anonymous; the instructor and administration do not track who entered what responses. A program is used to check if the student completed the evaluations, but the evaluation is completely separate from the student's identity. Since 100% participation is our goal, students are sent periodic reminders over three weeks. Students do not receive reminders once they complete the evaluation. Students complete the evaluation online in CampusConnect.

Academic Integrity and Plagiarism:

This course will be subject to the university's academic integrity policy. More information can be found at <http://academicintegrity.depaul.edu/>. If you have any questions be sure to consult with your professor.

Academic Policies:

All students are required to manage their class schedules each term in accordance with the deadlines for enrolling and withdrawing as indicated in the University Academic Calendar. Information on enrollment, withdrawal, grading and incompletes can be found at: cdm.depaul.edu/enrollment.

Students with Disabilities:

Students who feel they may need an accommodation based on the impact of a disability should contact the instructor privately to discuss their specific needs. All discussions will remain confidential.

To ensure that you receive the most appropriate accommodation based on your needs, contact the instructor as early as possible in the quarter (preferably within the first week of class), and make sure that you have contacted the Center for Students with Disabilities (CSD) at: csd@depaul.edu.
