

IT 278 Community-Based Technology Projects

Fall Quarter 2018-2019

Section: 701

Class number: 14957

Meeting time: Thursdays, 5:45PM - 9:00PM

Location: 14 E. Jackson Chicago, IL 60604 (M. Daley) Room: 503 at Loop Campus

Course Management System: Desire2Learn (D2L) d2l.depaul.edu

Instructor: Miranda Standberry-Wallace

Office: 243 S Wabash Ave Chicago, IL 60604, (CDM building) Suite 702—Loop campus

Office hours:

Loop/by appointment: CDM 702: Thursday (12-1pm and 5-5:30pm)

Online/by appointment: Saturday 9:00am-1:00pm

Lincoln Park Campus by appointment

I am available for appointments made outside of the set office hours. Please email me (mstandbe@depaul.edu) and/or call me at (773)325-8556 to set an appointment.

Textbooks and printed resources

No Required Textbooks for IT 278

- **(optional textbook)** Saffer, Dan (2009). Designing for Interaction: Creating Innovative Applications and Devices (2nd edition)
- **(optional textbook)** Tidwell, Jennifer (2011). Designing Interfaces: Patterns for Effective Interaction Design (2nd edition)

Additional reading materials will be provided on D2L.

Summary of course

Project development in cooperation with a community service organization. Students will assess urban community Web needs, develop and implement a Web solution.

Fall Quarter 2018-2019

AUTUMN QUARTER 2018	
August 27	Begin Immersion Week of Discover Chicago Program
August 31	TUITION DUE: AUTUMN QUARTER
September 3	Labor Day - University officially closed
September 5	BEGIN AUTUMN QUARTER 2018 ALL CLASSES
September 11	Last day to add (or swap) classes to AQ2018 schedule (11:59pm Deadline)
September 18	Last day to drop classes with no penalty (100% tuition refund if applicable and no grade on transcript)
	Last day to select pass/fail option
September 19	Grades of "W" assigned for AQ2018 classes dropped on or after this day
September 25	Last day to select auditor status
October 1	DEADLINE: Application for November 2018 degree conferral
October 11	Begin December Quarter/Graduate Intercession Registration
	Begin Winter Quarter 2019 Registration
October 23	Last day to withdraw from AQ 2018 classes
November 13	End AQ2018 Day & Evening classes
November 14	Begin AQ2018 Day & Evening Final Exams
November 19	TUITION DUE: December Quarter/Graduate Intercession 2018
November 20	End AQ2018 Day & Evening Final Exams
	END AUTUMN QUARTER 2018

November 23	Thanksgiving Holiday - University officially closed
November 24	Thanksgiving Holiday - University officially closed
November 25	Thanksgiving Holiday - University officially closed
November 29	AUTUMN 2018 GRADES DUE
	"IN" grades issued Winter 2018 lapse to "F"
	"R" grades issued Autumn 2017 lapse to "F"

IT 278 Community-Based Technology Projects

Learning Outcomes

By the end of this course students should be able to:

- apply a development life cycle model to a project
- create a requirements document developed in consultation with a client
- develop a Web Content Management System based on established requirements (WordPress)
- implement an search engine optimization (SEO) schema
- implement a security plan
- implement a test plan and record results
- apply backup process and peer-review using cloud-based storage and versioning of site content and training documents (GitHub)
- present project artifacts to multiple audiences (requirements doc, list of themes and plug-ins with versions, configuration specs, client training docs, deployment doc, file names of uploaded images and documents, SEO schema, donation information ALL REQUIRED)
- create internal administration document (usernames, passwords, roles)

Assignments

1. Participation [15 percent of the course grade]

Class participation points are earned each class by attending class on time and being an active participant in class activities both online and face-to-face. Students are expected to have completed assignments and discussion question(s) before each class meeting. Online participation points are earned by participating in assignments forums, commenting on peers' work and helping to build the class community.

- Group WordPress Presentation: Groups will be assigned a day to complete a 15-20 minute interactive presentation on a WordPress topic.

2. Weekly Individual Reflections [15 percent of the course grade]

You are required to submit journal entries that reflect upon your individual contribution and group progress toward the final project. See course assignment schedule for due dates.

3. Project Deliverables [25 percent of your course grade]

- Needs Analysis Document: This document includes a statement of the design problem, personas, and user stories. This document requires the client's signature (affirmative email will suffice).
- Requirements Document: This document includes functional and non-functional requirements. This document requires the client's signature (affirmative email will suffice).
- Design Proposal: This document includes interactive wireframes or a paper prototype of the site. This document requires the client's signature (affirmative email will suffice).
- Usability Report: This report documents the results and recommendations of the usability study. Training Manual & Video: This document illustrates the required steps to maintain the site.

4. Final Project [30 percent of the course grade]

The final project consists of a working Website, training and documentation that will enable the client to maintain the site.

IT 278 Community-Based Technology Projects

5. Peer and Client Review [15 percent of the course grade]

At the end of the course each teammate will complete a survey that reflects upon their and their teammates' contribution/participation. Clients will be asked to complete a survey regarding the quality of their interaction with the team.

Grading

Grading will be completed within 1-2 weeks of the due date.

Grade Review Requests

Every effort is made to grade in a fair and consistent manner. Should a disagreement arise about a coursework grade, the student may submit a grade review request in writing to the instructor. The request must be submitted within 48 Hours after the assignment grade has been posted. The request must include the student's argument for a different grade evaluation, based on variable evidence presented by the student. The Instructor handles grade review requests and responds to the student with a review decision as soon as possible.

Letter Grade Determination

The following table will be used in converting numeric grades into an official letter grade for the course:

Number Scale	Letter Grade
90 – 100%	A
80 – 89.99%	B
70 – 79.99%	C
60 – 69.99%	D
0 – 59.99%	F
Note: Grades within two points from the grade thresholds will be adjusted with - or +.	

Snapshot: Evaluation of Students

Component	Weights
Class Participation	15%
Weekly Individual Reflections	15%
Project Deliverables	25%
Final Project	30%
Peer and Client Review	15%

Online Course Evaluations

Evaluations are a way for students to provide valuable feedback regarding their instructor and the course. Detailed feedback will enable the instructor to continuously tailor teaching methods and course content to meet the learning goals of the course and the academic needs of the students. They are a requirement of the course and key to ability to continue to provide the highest quality of teaching. The evaluations are anonymous; the instructor and administration do not track who entered what responses. A program is used to check if the student completed the evaluations, but the evaluation is completely separate from the student's identity. Since 100% participation is our goal, students are sent periodic reminders over three weeks. Students do not receive reminders once they complete the evaluation. Students complete the evaluation online in CampusConnect.

Academic Integrity and Plagiarism

This course will be subject to the university's academic integrity policy. More information can be found at <http://academicintegrity.depaul.edu/>. If you have any questions be sure to consult with your professor.

Academic Policies

All students are required to manage their class schedules each term in accordance with the deadlines for enrolling and withdrawing as indicated in the University Academic Calendar. Information on enrollment, withdrawal, grading and incompletes can be found at: cdm.depaul.edu/enrollment.

Students with Disabilities

Students who feel they may need an accommodation based on the impact of a disability should contact the instructor privately to discuss their specific needs. All discussions will remain confidential. To ensure that you receive the most appropriate accommodation based on your needs, contact the instructor as early as possible in the quarter (preferably within the first week of class), and make sure that you have contacted the Center for Students with Disabilities (CSD) at: csd@depaul.edu.

Lewis Center 1420, 25 East Jackson Blvd.

Phone number: (312)362-8002

Fax: (312)362-6544

TTY: (773)325.7296

Changes to Syllabus

This syllabus is subject to change as necessary during the quarter. If a change occurs, it will be thoroughly addressed during class, posted under Announcements in D2L and sent via email. Changes are not made lightly as this syllabus is considered a contract between instructor and student
