**Course Overview and Learning Goals**

**Course Website** D2L

**Course Overview**

This introductory course will explore documentary styles and techniques using a variety of modes and formats. You will create two short pieces along with writing and pitching your ideas to the class. Also, we should anticipate that changes may need to be made as the quarter unfolds. Those changes will be communicated as timely as possible, and I ask that we all stay flexible and responsive.

**Learning Goals:**

By the end of this course, students will be able to:

- verbally pitch a compelling idea
- develop skills in conceptualizing, directing, and editing short documentary pieces.
- understand and incorporate interview techniques, visualizing and shooting observational footage, and construct narratives through the integration of sound and images.

- PREREQUISITES: **FILM 110 OR FILM 111 OR FILM 102** or equivalent.

**Required Textbook**

Our textbook for the quarter is: Introduction to Documentary, Third Edition by: Bill Nichols

It is available online through the DePaul library.

### **CHANGES TO SYLLABUS**

This syllabus is subject to change as necessary during the quarter. Depending on the many variables outside of our control, the assignments projected for the term may require alteration or rescheduling. If a change occurs, it will be posted under Announcements in D2L. Please ensure that campus connect and D2L have your correct email address. Also, make sure you are receiving all notifications via D2L.

DePaul University will continue to update their [COVID-19 Updates and Guidance page](#). Please visit that page for the most current information and a list of [university FAQ](#).

### **COVID-19 Health and Safety Precautions**

The health and safety of everyone at DePaul depend on the cooperation of all who come to campus. By taking care of yourself, you protect the entire community. DePaul's COVID-19 response plans are based on the latest guidance from the Centers for Disease Control and Prevention, the Chicago Department of Public Health and the university's medical advisor from AMITA Health.

Mandatory protocols must be followed by DePaul students, faculty, and staff at all times on both campuses <https://resources.depaul.edu/coronavirus/guidance/health-safety-practices/Pages/default.aspx>.

### **CDM**

For more specific questions about CDM, check out this page for current info: [Frequently Asked Questions](#).

**TECHNICAL ISSUES** If you're having any tech issues this quarter, please email [scaavsupport@depaul.edu](mailto:scaavsupport@depaul.edu).

### **Course Policies**

**In addition to DePaul University course policies (see student handbook), the following special policies will apply to this course.**

**Attendance** – Classes will consist of lecture, screenings, feedback, and discussion. Attendance is mandatory unless otherwise stated.

### **Respect for Diversity and Inclusion at DePaul University as aligned with our Vincentian Values**

At DePaul, our mission calls us to explore “what must be done” in order to respect the inherent dignity and identity of each human person. We value diversity because it is part of our history, our traditions, and our future. We see diversity as an asset and a strength that adds to the richness of classroom learning. In my course, I strive to include diverse authors, perspectives, and teaching pedagogies. I also encourage open dialogue and spaces for students to express their unique identities and perspectives. I am open to having difficult conversations and I will strive to create an inclusive classroom that values all perspectives. If at any time, the classroom experience does not live up to this expectation, please feel free to contact me via email or during office hours.

**Your Name & Gender Pronouns.** Professional courtesy and sensitivity are especially important with respect to individuals and topics dealing with differences of race, culture, religion, politics, sexual orientation, gender, gender variance, and nationalities. I will gladly honor your request to address you by an alternate name or gender pronoun. Please advise me of this preference early in the quarter so that I may make appropriate changes to my records. Please also note that students may choose to identify within the University community with a preferred first name that differs from their legal name and may also update their gender. The preferred first name will appear in University related systems and documents except where the use of the legal name is necessitated or required by University business or legal need. For more information and instructions on how to do so, please see the Student Preferred Name and Gender Policy at <http://policies.depaul.edu/policy/policy.aspx?pid=332>.

**Screenings** – Film screenings and assignment screening discussions are an integral part of the course participation grade. Selected films will be analyzed for specific conceptual and stylistic choices. We will apply the same standards to the analysis of group projects. Be open to be challenged and honest as there will be differing ideas and points of view expressed. These discussions are important in the development of your ability to collaborate.

**Trigger Warnings** The films, lectures, and discussion in this course may engage with potentially sensitive or traumatizing material, such as:

- violence
- sexism
- sexual assault, rape
- racism
- police brutality
- transphobia
- homophobia
- abuse
- suicide
- blood
- and body-shaming

I will note especially graphic/intense content and will do my best to foster a classroom in which we can relate courageously, compassionately, and contemplatively with difficult and important content each week. If you would like more specific or personalized triggers identified throughout the course (especially ones that are not named above), please e-mail and I will do my level best to flag them.

**Plagiarism** – Plagiarism on assignments or cheating on exams are serious offenses and earn the student a failing grade for the class. This course will be subject to the academic integrity policy passed by faculty.

More information can be found at <http://academicintegrity.depaul.edu/π>

**Online Course Evaluations** Evaluations are a way for students to provide valuable feedback regarding their instructor and the course. Detailed feedback will enable the instructor to continuously tailor teaching methods and course content to meet the learning goals of the course and the academic needs of the students. They are a requirement of the course and are key to continue to provide you with the highest quality of teaching. The evaluations are anonymous; the instructor and administration do not track who entered what responses. A program is used to check if the student completed the evaluations, but the evaluation is completely separate from the student's identity. Since 100% participation is our goal, students are sent periodic reminders over three weeks. Students do not receive reminders once they complete the evaluation. Please see <https://resources.depaul.edu/teaching-commons/teaching/Pages/online-teaching-evaluations.aspx> for additional information.
